FRIDAY 30TH SEPTEMBER 2011

At Buckmore Park Circuit, Chatham, Kent

**Charity Endurance Karting Race and Dinner in aid of
Combat Stress and Motorsport Endeavour**

EARLY BIRD DISCOUNT – TAKE 10% off if you confirm your team *now* and pay by Friday 26 August.

Vanquish Developments is staging a charity Endurance Race and Dinner in aid of Combat Stress and Motorsport Endeavour. We are seeking 20 teams of four drivers to compete in a two-hour team endurance race racing for the Vanquish Trophy along with individual 1st, 2nd, and 3rd place trophies plus the highly desirable Flat Tyre award for the driver scoring the least number of points.

Trophies will be presented during the charity dinner by a special guest and all profits will be donated to the charities. Sponsorships are sought for the first, second and third place trophies and other sponsorships are available.

Motorsport Endeavour was set up seven years ago and offers driving experiences to people with a wide range of disabilities. Many of its recent events have assisted service personnel wounded either physically or mentally and is helping many who are currently being assisted by Combat Stress to regain a sense of normality through driving experiences. In particular this event will raise funds for "The Enemy Within" a three year fundraising campaign for Combat Stress and launched by the charity's patron HRH The Prince of Wales, who has acknowledged this event's importance to the charity's fundraising goals.

We are delighted that Motorsport Endeavour patrons The Duke of Somerset and Trevor Baylis will be attending the event.

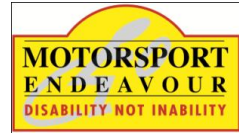

The event begins at 14:45h with registration, coffee and safety briefing; followed by practice laps and then the race from 16:45h until 18:45h. There will be a sparkling wine (or cold beer!) reception at 19:15h followed by a three course dinner with wine allowance and prize-giving plus raffle. A cash bar will also be available. The entry fee per team of four drivers is £520 + vat or £595.00 + vat to include a (3m x 1m) banner with your logo to be displayed around the karting area throughout the day and evening.

To guarantee your team's place please complete the attached form and send it with a cheque (or confirm your BACS payment reference) to:

Combat Stress and Motorsport Endeavour

Further information and sponsorship opportunities

Combat Stress is the UK's leading military charity specialising in the care of veterans' mental health. They look after men and women who are suffering from a psychological condition related to their service career. This might be depression, anxiety, a phobia or post traumatic stress disorder (PTSD). The services of the charity are free to the veteran. Since 2005 the number of ex service men and women seeking help has risen by 72% and the charity has a current caseload of more than 4,600 individuals – including those affected by service in Afghanistan and Iraq. www.combatstress.org.uk. *Sixty per cent* of the profits from this event will go directly to the charity's "Enemy from Within" appeal – a three-year fundraising campaign launched in 2010 by the charity's patron, HRH The Prince of Wales.

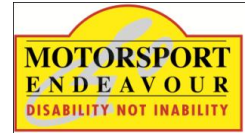

Motorsport Endeavour Club's sole purpose is to involve people with a wide range of disabilities in a program of car and motorcycle events and experiences including rallying, hill climbs, auto tests, navigation, trials, visits to Motorsport Centres and employment in the industry. Motorsport Endeavour involves people as riders, navigators, marshals, timekeepers, administrators and spectators as well as drivers. *Forty per cent* of the profits from this event will go directly to MSE. www.motorsportendeavour.co.uk.

Vanquish Developments Ltd, based in Sittingbourne, Kent, is a specialist overseas construction company which has successfully completed numerous developments worldwide. By creating skilled teams from the UK who manage the projects and train and educate the local workforce, Vanquish is not only creating sustainable, innovative developments but is also creating exciting, long-term business and investment opportunities for British companies, organisations and private individuals. Its current project is the development of a new resort at Ras Sudr on the west Sinai coast in Egypt. Having gained the backing of both the new Egyptian government and the British Government with support from the UKTI and British Foreign Office, this resort development, which will include an F1 level motor sport circuit, kart track, 300-berth marina, 5 and 4 star hotels, a school, hospital and university plus a diverse range of accommodation, will create hundreds of jobs for local residents as well as creating on-going work for many UK companies. www.vanquishdevelopments.com.

Additional Sponsorship Opportunities

If you would like to sponsor the 1st, 2nd, or 3rd place trophies please let us know and these will be acknowledged in our ongoing promotional materials. We have other sponsorship opportunities available which in addition to raising your profile at the event and in the promotional materials (website; PR and email news bulletins) will provide much needed funds for Combat Stress and Motorsport Endeavour. We hope you will want to take advantage of these opportunities – please contact Katherine Hersey-Meade for more information and to discuss your requirements. Telephone 01634 318825/07974 112203 or email Katherine@vanquishdevelopments.com.
